Based around Chimera's XXS size, two new Lightbank kits are now available, designed specifically for the Profoto A1 and Godox V1 speedlights: Speedlight Pro Kit & Speedlight Portrait Kit. Both kits feature Chimera's USA manufactured professional quality and include a portable Lightbank with hardware to make it easy to use with the popular Profoto A1, Godox V1 or other similar sized speedlights.

The Speedlight Portrait Kit features a 12x16 Chimera Cloth front screen that delivers soft, smooth light that is perfect for portraits. The Portrait Kit includes; Chimera's Mini

and a mounting bracket with shoe for speedlight with a ¼"x20 (or 3/8") Female to make it easy to mount.

The Speedlight Pro Kit features a removeable 12x16 Chimera Cloth front screen that delivers soft, smooth light that is perfect for any shooting situation. The Pro Kit includes; Chimera's Super Pro XXS,
mounting bracket with shoe for speedlight, baby pin hardware and Chimera's 2-Axis Stand adapter for easy mounting to any light stand.

These kits come ready to go in a convenient Chimera storage sack.
